Membership Composition

The advisory board shall be composed of the chairman of the executive board of each of the 20 solid waste management districts and other members as provided in this section. Up to five additional members shall be appointed by the director of which up to two may represent the solid waste management industry and have an economic interest in or activity with any solid waste facility or operation, and at least one such member shall represent a locally owned solid waste management business, and the remaining members shall be public members who have demonstrated interest in solid waste management issues.

Terms

The appointment of any member by the director shall be terminated if the member fails to attend at least fifty percent of the board meetings in any calendar year.

Political Affiliation

No restrictions.

Compensation

None.

Geographic Consideration

Each state solid waste management district represented.

Responsibilities of the Commission/Members

The advisory board shall advise the department regarding:

- (1) The efficacy of its technical assistance program;
- (2) Solid waste management problems experienced by solid waste management districts;
- (3) The effects of proposed rules and regulations upon solid waste management within the districts;

- (4) Criteria to be used in awarding grants pursuant to section 260.335;
- (5) Waste management issues pertinent to the districts;
- (6) The development of improved methods of solid waste minimization, recycling and resource recovery; and
- (7) Such other matters as the advisory board may determine.
